Please enroll me in the EAA Legal Services Group Plan. I have read the full description of benefits to which I am entitled as a member of the Legal Services Group Plan. I understand and agree that my enrollment and payment of \$260.00 (payable \$10.00 bi-weekly if Payroll Deduction) entitles me to participate in the EAA Legal Services Group Plan. I further understand that services outside the twelve (12) unbillable hours will be billed to me at a 25% reduction off of Legal Services Group's current hourly rate billed to non-members; with the exception of matters requiring a court appearance by representatives of Legal Services Group which shall be billed at a \$10.00 per hour reduction off of Legal Services Group's current hourly rate billed to non-members. If I elect Payroll Deduction, I agree that my membership in the Plan shall continue until my deduction terminates or until I advise the EAA of my desire to terminate my membership. Upon such termination, I further agree that legal services in excess of the number of hours for which I have paid, pro-rated at \$260.00 per twelve (12) hours per year, will be billed to me by the Legal Services Group. I understand that enrollment in the Plan carries a minimum membership obligation of one (1) year from the date of enrollment.
